

Layout Design

Accordion Folder

Objective:

Choose one of the poems below and create a visual depiction using expressive type. You may use silhouetted images (created by you) in order to help you create this accordion fold. The main purpose of this exercise is to maintain clarity while attempting to mimic the pace and the emotion of the chosen poem.

Specifications:

Size: 5in x 5in per panel (the final panel number is up to you)

Format: Single sided
