

Introduction to Photography Project Brief

Project 02: Landscape Due: Week 11

Objective

Take 5 photographs of your interpretation of Landscapes based on the theory you learned. Keep in mind a Landscape should include a foreground, mid-ground and background. The elements of your subject must be used to link and interact with the “grounds”

Photographs taken on school property, the National Park or Georgetown Seawall will not be accepted.

Outcome

Create a powerpoint presentation 5 images for the due date of this assignment.
